Dear Colleague,

GLUTEN FREE FOODS SERVICE

A review of prescribable products available on the gluten free foods service is now complete. As a result we have made the following changes:

- Delivery costs and ordering timescales have been included
- Product descriptions have been changed where appropriate

There are sixteen additions to the November update of the formulary list:

Product	PIP code
Genius seeded brown farmhouse loaf sliced	403-8345
Juvela mixed case fresh loaves (4 fibre + 4 white)	839-2821
Juvela mixed case fresh (20 fibre rolls + 4 white loaves)	839-2847
Juvela mixed case fresh (20 white rolls + 4 fibre loaves)	839-2730

The document detailing the full list of gluten free food products available can be downloaded from the NHS Lanarkshire Community Pharmacy website http://www.communitypharmacy.scot.nhs.uk/nhs_boards/NHS_Lanarkshire/lanarkshire_index.html and can also be found on the NHS Lanarkshire Joint Formulary http://www.medednhs1.com/meded/nhs1_formulary/

The Gluten Free Foods Formulary will be revised on an annual basis however, if you have any feedback or notification of changes in PIP codes then please contact katrina.mackie@lanarkshire.scot.nhs.uk.

Yours sincerely,

A handwritten signature in black ink that reads "Katrina Mackie". The handwriting is cursive and somewhat informal.
