

## What you need to know

For 30 years, MSD has been at the forefront of the response to the HCV epidemic.

MSD is dedicated to applying its scientific expertise, resource and global reach to develop and deliver innovative healthcare solutions to support people living with chronic HCV worldwide.

ZEPATIER® elbasvir/grazoprevir is an all-oral, once-daily, fixed-dose combination tablet licensed for the treatment of chronic hepatitis C (HCV) genotype (GT) 1 or GT4 infection

The licensing of ZEPATIER® elbasvir/grazoprevir marks the latest innovation in MSD's longstanding investment in finding treatments for HCV.

**NEW HEPATITIS C  
TREATMENT FROM MSD,  
NOW AVAILABLE VIA AAH**

## NEW HEPATITIS C TREATMENT FROM MSD TO BE ORDERED VIA AAH

## Why will patients come to Community Pharmacy for this?

There is now a model in place in Scotland which allows for this Hospital only product to be dispensed in Community Pharmacy.

- The Patient is diagnosed in Hospital or a Hep C Clinic
- The Patient nominates Community Pharmacy for dispensing
- A specialist team will contact the Pharmacy to confirm arrangements
- The prescription will then be transferred to the Pharmacy where the Pharmacy Team will order the stock from the wholesaler
- Stock is dispensed to the patient

## When will this come in to affect?

The model is currently in operation across Scotland now and you will be able to order ZEPATIER® from AAH Pharmaceuticals Ltd as of the 12<sup>th</sup> December 2016.

## What are the product details?
