

# Basic Life Support Booking Page (Aberdeenshire South)

Please ensure you are confident in your ability to deliver BLS.

Our team are offering refresher training with full kit if you would like to practice your competence. Refresher sessions can be arranged within your pharmacy (set up in consultation room or any available space) or at selected venue. Refresher sessions will take on average 15-20 mins per person.

Any new to vaccination staff will need to complete our full trainer course. The full BLS course will take on average 1 hour per person with session timings depending on attendance.

\* This form will record your name, please fill your name.

1. Pharmacy Name

2. Full Name
