

## SAVE THE DATE: Supporting People with Advanced Cancer

Webinar on Wednesday 28<sup>th</sup> June 2023 - 6.30pm to 8:00pm

**Working together – How can community and hospital-based pharmacy professionals and nurses support people living with advanced cancer?**

**Access the webinar HERE:** <https://www.bopa.org.uk/supporting-people-with-advanced-cancer-a-bopa-ukons-and-prostate-cancer-uk-joint-webinar/>

This webinar is supported by the British Oncology Pharmacy Association (BOPA), Oncology Nursing Society (UKONS) and Prostate Cancer UK

This webinar is open to all community, and secondary care nursing and pharmacy teams. The focus will be on exploring and encouraging cross sector working improve care for people living with advanced urology cancers.

Community nursing and pharmacy colleagues will share insights and case studies from practice followed by discussion.

We look forward to welcoming you.

Dr Jackie Lewis, Dr Barry Quinn.

Sponsorship for this webinar has been provided by Ipsen.
