

The training is for all Community Pharmacy staff who are involved in the day-to-day delivery of the Smoking Cessation service and all Pharmacists, ACPTs, Pharmacy Technicians, dispensers and counter assistants are welcome to join.

Each training section has been designed to complement each other and we hope very much, that you and your pharmacy teams will be able to join us for all sessions to gain the maximum benefit.

Online Training runs in the evenings 7pm – 8pm

PCR Workshops run 09:30am – 12noon

Full day training 09:30am – 3:30pm
