

NHS inform – Self Help Guide

09/03/2020

Dear Colleagues,

As well as having information on the NHS Inform website, there is also a useful “**Self Help Guide for COVID-19**” aimed primarily towards the public which is based upon the guidance provided by HPS.

It may be useful to highlight the “**Self Help Guide**” to community pharmacies and the public as a user-friendly option for self-assessment.
