Keep Kids Safe!

KEEP IT SAFE

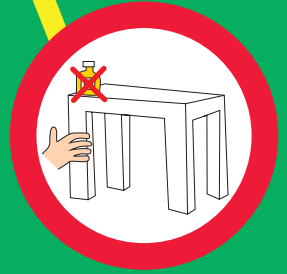

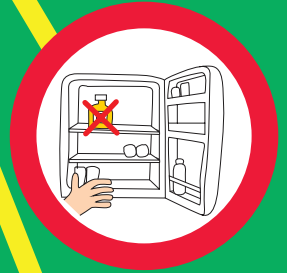

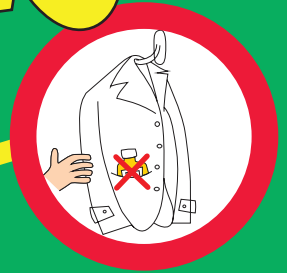

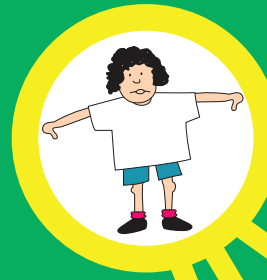

- Methadone, Suboxone & Subutex can be dangerous to children

DON'T LEAVE MEDICINE...

- on the floor
- beside your bed
- in the bathroom
- on table tops
- in coat pockets
- in shopping bags
- in the fridge

DANGER SPOTS

Even small amounts of your medicine can kill a child.

Dial 999

and ask for an ambulance if your child swallows your medicine
