

This is the **SECOND** in a series of weekly emails counting down to the 1st birthday of NHS Pharmacy First Scotland.

COMMON CONDITIONS TREATABLE UNDER THE NHS PHARMACY FIRST SCOTLAND SERVICE:

This week we focus on....**WARTS/VERRUCAE**

Every Patient Interaction you should be recording on your PMR includes:

ADVICE such as: every night or second night soak in warm water then rub down with pumice stone.

REFERRALS you make for patients if their warts are red, swollen or sore since this may indicate infection.

TREATMENT:

Sample recommended products available on the Pharmacy First Approved List:

| 5.3 Preparations for warts and verrucae | | | |
|---|-----------------------|-----------|------|
| | Occlusal 26% Solution | Pack Size | 10ml |
| | Salactol Paint | Pack Size | 10ml |

For the full version of the current Pharmacy First Approved List, please visit the **NHS National Services Scotland** or the **Community Pharmacy Scotland** websites.

This email is also attached as a PDF of this information to make it easy for your team to print off and keep handy in the pharmacy.

Kind regards,
