

HPAC

NEW

Health Promotion Access Catalogue

HPAC is the new online system for booking resources and ordering leaflets from the Health Improvement Library. It's open to anyone living or working in Lanarkshire, replacing the previous system.

Once you have registered on HPAC you will be able to choose from a wide range of lending resources such as teaching kits, displays, models, games, DVDs and equipment. You can also place orders for leaflets and posters. If you need assistance with HPAC, please ask the library staff (contacts overleaf).

Note: HPAC is optimised for modern software like Firefox or Chrome. Older browsers like Internet Explorer may not display it correctly.

Website: <http://hpac.nhs.lanarkshire.scot.nhs.uk>
or www.hpac.nhs.uk – select Lanarkshire from list

Schools HI resources – pick-up/drop-off points
at these libraries (return by Mon for Tue uplift).
