End of Life Care Together

Working together to create positive change

Your Palliative Care Helpline - available 24/7 from May 15th 2023

The current NHS out-of-hours Helpline will soon evolve into a 24/7 service, available to all health and social care professionals, patients and families requiring additional palliative care support across Highland.

The Helpline will provide a single point of access to 24/7 advice, support and information and will help us to continue to enhance and improve end of life care for all.

Available 24/7 May 15th. Save the number now - 01463 706655.
