What is your current role?

Senior Information Analyst

How long have you worked in NHS AA?

Just over 10 years

What roles have you previously held?

Theatre Information and Systems Manager for
Rotherham Foundation Trust (5 years), Systems
Consultant (software, development and IT support) for
Lucas Service UK (15 years)

What's the best bit of your job?

Working closely with people in a wide range of roles to (hopefully!) make their individual jobs
and lives easier, and helping people develop through the sharing of knowledge, skills and

What do you do to relax outside of work?

I'm sorry, but I don't understand that question – what does 'relax' mean? ☺

Outside of work, my time is usually taken up with DIY projects on our very old house, and

PHS Poster Campaign

The next PHS poster should now have arrived at all community pharmacies and be on display, 'Quit Your Way'. Here is what the posters look like:-

Side 1

Side 2

The side 2 image on your poster may show a different person as 3 different images were used but the information is the same.

Note: Please note that plans for the Sexual Assault Response Co-ordination Service (SARCS) poster, due to run from 6 February 2024–4 March 2024, have been cancelled so pharmacies should continue to display the Quit Your Way poster for that period as well.

Emergency Hormonal Contraception (EHC) Proforma Update:

We have updated the A&A Emergency hormonal contraception (EHC) proforma on the website to include a section for contraception and sexually transmitted infection (STI) discussions. An EHC consultation is an excellent opportunity to talk to patients about their contraception options and their risk of an STI. Community Pharmacy has lots to offer in sexual health, everyone can provide bridging contraception and advice on contraception options as well as CCard and STI Kits being available from pharmacies signed up to provide those services.

In order to direct a patient to the nearest pharmacy offering the CCard or STI testing simply put the postcode into the relevant section on the www.shayr.com website.

Please make sure you have in date supply of condoms and STI Kits available to offer if signed up, more can be ordered by sending a request to aa-uhb.shbbv@aapct.scot.nhs.uk

If you would like to offer these services please contact **Kirstie Church** (details below) to discuss training opportunities.

Signposting 2024

Sexual Health Ayrshire is the go to for information and signposting relating to all things sexual health!

We have produced a QR code below that can be kept in your consultation room for patient to scan if you signpost them to Sexual Health Ayrshire services
