Meet the Team – Donna Dunlop

What is your current role? Senior pharmacist primary care in South Ayrshire HSCP.

How long have you worked in NHS AA? I have worked here since 2004 (I can't believe it has been 20 years!)

What roles have you previously held? I started my career in NHS GGC as a pre-reg and then rotational hospital pharmacist. I then moved to Ayrshire and worked in the mental health pharmacy team for a number of years before taking up my current post in 2018.

What's the best bit of your job? It's the people I work with who make it great! Also supporting our team to reach their full potential and seeing the positive impact we have on patient care.

What do you do to relax outside of work? Any parent of young children will know that there isn't much time for relaxing, but as a family we love exploring new places, cooking, baking and eating!
