Meet the Team – Liam McGee

What is your current role?

General Practice Clinical Pharmacist, South
Ayrshire HSCP

How long have you worked in NHS
A+A?

Five and a half years

What's the best bit of your job?

I really enjoy the patient interaction of my role,
helping to try and have a positive impact on a
patient's health and wellbeing. I also enjoy being
part of the pharmacy team in NHS A+A as well as
working with different healthcare professionals.

What do you do to relax outside of work?

Outside of work I enjoy spending time with family and friends. I also have keen interest in
NFL and try and follow it as much as I can with the time difference in the USA.

Community Pharmacy Good News Stories!

Good News Stories – Now even easier!

As you all know, we like to highlight Good News Stories in the Weekly Script to shine a
spotlight on instances where one or more members of our Community Pharmacy teams
have displayed high levels of patient care.

We appreciate that days are busy and such examples can come and go without particular
focus. As a result, we've made the process of informing us of such occasions easier, by
way of an MS form. Either scan the QR code, or follow the link [here](#) to provide some

This Weeks Key Messages

Save the Date – Lunch and Learn Wednesday 18th September

Further to the communication last week relating to Buprenorphine Microdosing, we will be running a Lunch and Learn session to help enhance awareness and knowledge of this technique. This will take place on the usual L+L slot of a Wednesday lunchtime, on September 18th at 1pm. Be sure to mark in the diaries!

Community Pharmacy Sexual Health Services

We have recently had a few queries regarding CCard/STI KIT training from Community Pharmacies. The Sexual Health team are in the process of developing an online training package for the CCard service and a Step by Step guide for STI KITs. This will improve access to training and allow more pharmacies in A&A to deliver Sexual Health Services. It is advised that the online training package is also used as a refresher for those pharmacies already signed up to the service. More detail will follow and we will run a Lunch and Learn session in Oct/Nov to give updates relating to these services and provide the opportunity to ask questions.
