THIS WEEK'S COMMUNICATIONS SUMMARY

Thursday 19th : aa.cpteam - **DRUG ALERT CLASS 3 DRUG ALERT 42 2024 – CLASS 3 MEDICINES RECALL - ACTION WITHIN 5 DAYS – Class 3 Medicines Recall: Orion Pharma (UK) Ltd, Eldepryl 5mg Tablets (selegiline)**

Flu service – now live!

The flu vaccination service has now gone live!

The PGD and corresponding MS form has been uploaded to the Community Pharmacy Website for reference.

FAO Participating Pharmacies

Stock is ordered from Movianto via their online portal that you will have received details of. You will not receive an automatic allocation of stock.

Each participating pharmacy has a 'pot' of vaccine available to order. There are 2 packs of aQIV and 3 packs of QIVc available for each pharmacy initially.

If you require more stock please contact Iain Fulton who can arrange this for you.

Below you will find an updated list of participating community pharmacies. There are now 33 pharmacies participating in the flu service this year.

Community Pharmacy Good News Stories!

Good News Stories – Now even easier!

As you all know, we like to highlight Good News Stories in the Weekly Script to shine a spotlight on instances where one or more members of our Community Pharmacy teams have displayed high levels of patient care.

We appreciate that days are busy and such examples can come and go without particular focus. As a result, we've made the process of informing us of such occasions easier, by way of an MS form. Either scan the QR code, or follow the link [here](#) to provide some

Buprenorphine Microdosing session

This week we had the latest of our Lunch and Learn sessions, this time with Becky Beaumont as guest speaker. Becky discussed the topic of Buprenorphine Microdosing and went over all the important matters which would be of use from a Community Pharmacy perspective.

The session was recorded and can be viewed by following this link – <https://vimeo.com/1011268454>

If anyone has any questions on this subject, Becky and Alex Adam can be contacted on the below e-mail addresses –

Education and Training: FTY Information Request

Trainee pharmacists starting their FTY from July 2025 will require both, a designated supervisor (DS) and a **designated prescribing practitioner (DPP)** during their PLP when the GPhC prescribing learning outcomes will be assessed. The DS may also be the DPP if appropriately qualified. We are keen to understand the current position of placements, supervisors and DPPs in Community Pharmacy. Please could contractors follow the [link](#) or scan the QR Code to fill in a 2 minute questionnaire to provide this information? Keen for responses from all contractors even if it's nil response.

Faculty of Sexual and Reproductive Healthcare

Scott Brown, Senior Pharmacist Women's Health in NHS A&A, will be chairing an event for the Faculty of Sexual and Reproductive Healthcare (FSRH) aimed at introducing pharmacists to the FSRH. Scott will be sharing his work as a pharmacist member of FSRH and how this has supported development of his role within Ayrshire & Arran.

Community pharmacists interested in this area of practice are invited to attend the webinar. Details for registration as follows:

FSRH pharmacy webinar - **Enhancing Patient Care: Introducing the FSRH to Pharmacists**, taking place on Tuesday 8 October 2024 at 19:00 – 20:30. Link for registration for the webinar below:

National Unscheduled Care PGD

The updated (V31) unscheduled care PGD was distributed to community pharmacies this morning via e-mail.

As a reminder, NHS A&A based pharmacists should confirm signing of the PGD via following the [link](#) or by scanning QR code below. There is no need to send copies of signed documents to the health board but these should be stored in your pharmacy.
