## Meet the Team – Siob-an Webster

What are your current role?

Senior Pharmacy Support Worker

How long have you worked in  
Pharmacy and NHS A+A?

I have worked in Pharmacy for 15 years.  
11 of those I worked in Community  
Pharmacy with Lloyds. The last 4 years  
spent in my current role.

What is the best bit of your job?

I really enjoy the variety of tasks that I complete. In particular I enjoy the work I do to supporting and training new starts to the role as well as getting opportunities to show how the work we do supports the whole pharmacy team to achieve positive outcomes for our patients. I also support the Care at Home Pharmacy Technicians with any queries they may have on patients they are seeing. I also enjoy getting to work in a variety of locations and enjoy the time I get to work in the central team working on specials and shortages.

What do you do to relax outside of work?

I wouldn't say that I get much time to relax with my busy household! Most of my time is spent getting the kids to football training or to matches. When I do get time I love socialising with friends and family☺.

Community Pharmacy Good News  
Stories!

## Good News Stories – Now even easier!

As you all know, we like to highlight Good News Stories in the Weekly Script to shine a spotlight on instances where one or more members of our Community Pharmacy teams have displayed high levels of patient care.

We appreciate that days are busy and such examples can come and go without particular focus. As a result, we've made the process of informing us of such occasions easier, by way of an MS form. Either scan the QR code, or follow the link [here](#) to provide some.
