¹For patients in **Lothian and Borders** - Pharmacists should ask to **speak to a doctor** rather than making an appointment. If no doctor is available, you will be phoned back as soon as possible.

²For patients in **Forth Valley** – Pharmacists should **follow local guidance** issued by Forth Valley OOH service. Note that an SBAR emailed to GP OOHs (fv.oohhub@nhs.scot) will provide a quicker response than a phone call.
