Movianto

The Movianto Group is dedicated to being the preferred European healthcare logistics partner for the pharmaceutical, diagnostics and medical device industry. We offer outsourcing services along the supply chain such as warehousing, transportation, cold chain logistics and bespoke (re-)packaging and (re-)labelling.

- Enter your Username and Password. These will be the same as last year. If you are a new user your log in details will have been emailed to you.
- If you are unsure, then select the '*Forgot password?*' option below the Password field and enter your email address.
- If you have any further problems logging on, please contact Movianto Customer Services on 01234 587112.

ORDERS SCREEN

This screen shows your order history, including last year's orders.

The screenshot shows the 'ORDERS SCREEN' interface. The top navigation bar includes 'Orders', 'Stock', 'Reports', and 'Administration'. A search bar with a dropdown menu and a search icon is highlighted with a red circle. Below the navigation bar, the 'Orders' section is visible, featuring a 'Date Range' selector (7/22/2025 - 8/11/2025), a 'Status' section with checkboxes for 'Search open orders' and 'Search completed orders', a 'Ship-to' field, a 'Search' field, and radio buttons for 'Search Product # / Description' and 'Search SO # / PO # / Ref #'. A 'Clear' button and a 'Search' button are also present.

- To find the vaccine required please type the following “search term” in the search products bar:
 - “**aTIV**” – this will display vaccines for patients aged 65 and over
 - “**TIVc**” – this will display vaccines for patients aged 2 to 64
 - **Note:** *Like last season, vaccines have been allocated to each practice so you will therefore only have access to this volume of product. Allocation queries should be raised with Movianto.*

Please note – If you are unable to find the products to order, enter a ‘%’ sign in the “Search Products” bar and this will bring up all available products to order.

The quantity available is shown. *This will display '0' until stock is delivered to Movianto.*

Enter the number of **packs (each pack contains 10 x PFS)** you want to order in the Quantity box and click on “Add to Cart” (e.g. to order 500 vaccines you must enter the quantity 50)

You should always check the pack size in the product description. In this example the vaccines are available in packs of 10.

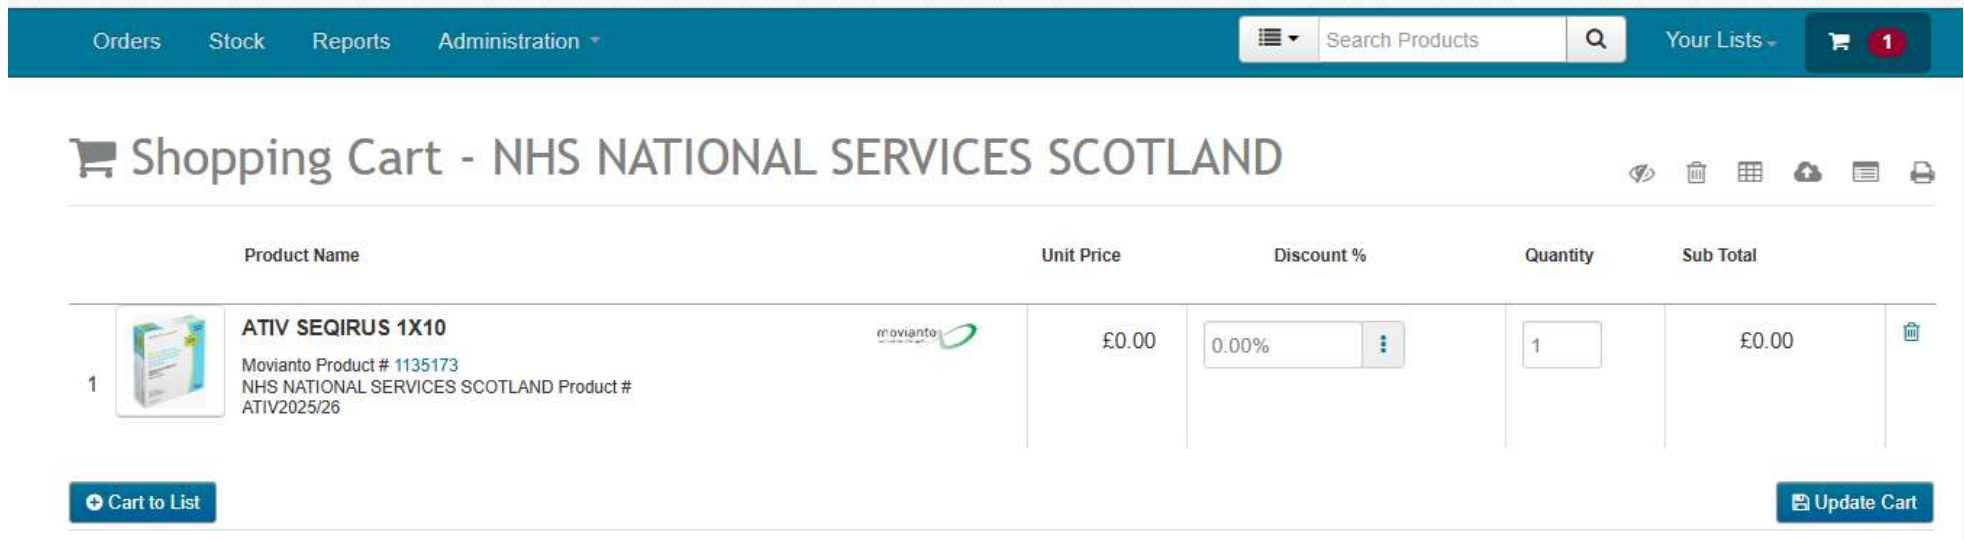

If you want to order another vaccine, click the small arrow at the top to return to the previous screen and repeat.

You should only order vaccines you have space to store.

Note: The price will say £0 as costs will be charged back to your Health Board separately.

CHECK OUT

Once you have finished ordering the products you require, click on the shopping trolley icon at the top which will show a number next to it reflecting how many products you have ordered.

A screenshot of a web application interface. At the top is a blue navigation bar with links for 'Orders', 'Reports', and 'Administration' (which has a dropdown arrow). To the right of the navigation bar is a search bar labeled 'Search Products' with a magnifying glass icon and a shopping cart icon with a red circle containing the number '0'. Below the navigation bar is a light gray section titled 'CHANGE PASSWORD'. This section contains three input fields: 'Current Password', 'New Password' (with a small blue question mark icon), and 'Confirm New Password'. At the bottom right of the form are two buttons: a gray 'Cancel' button with a circular arrow icon and a green 'Save Preferences' button with a checkmark icon.
