

FAST Training Session

Chest Heart and Stroke Scotland are running a training session in partnership with the Scottish Government, aiming to **improve stroke recognition**. It is strongly encouraged that clinical / non-clinical staff working with stroke patients in **Emergency Departments, GP Practices, Primary Care, and the Scottish Ambulance Service** attend one of the sessions.

- 30-minute online session
- For GP Practice, Emergency Department, Primary Care, and Ambulance Service patient-facing staff (clinical and non-clinical)
- CPD certificate available following attendance
