**GENERAL INFORMATION**

**Who should attend?**

This online event is aimed at the multi-agency team involved in sexual and reproductive health, in particular this event would be of relevance to current implant and intrauterine contraceptive fitters.

**Date Protection Act**

Your name and/or email address will be displayed on Microsoft Teams for the duration for the event, whilst you are participating in the event, and also if you submit entries on the message board with the meeting chat, and these details will be recorded for you as 'a participant' for the event on Microsoft Teams.

**Submission of Questions in Advance of Event**

If delegates would like to submit questions in advance of the event, could you please submit them to [gram.srhtraining@nhs.scot](mailto:gram.srhtraining@nhs.scot) by Friday 6<sup>th</sup> December 2024, detailing the question, who the question is for and what topic the question relates to, so that it can be raised at the event.
