

PUBLIC COMMITTEE MEMBER OPPORTUNITY

NHS Highland is currently seeking to appoint a number of voluntary Public Committee Members to the NHS Highland Pharmacy Practice Committee (PPC)

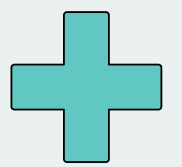

- ✓ Exciting opportunity to contribute to and inform discussion for inclusion on the Highland Pharmaceutical List to provide community Pharmaceutical services across the Highlands.

- ✓ As a Voluntary Public Committee Member you would be independent of the NHS. Your contribution is crucial to providing an external perspective on important issues and decisions.

- ✓ You would be responsible for ensuring the decision making process is transparent and follows national guidance

- ✓ No experience required , full training and support will be provided!

Please note that Public Committee Members cannot be current members of an NHS Health Board, or have been a doctor, dentist, optician or pharmacist or an employee of a person who is a doctor, dentist, optician or pharmacist.
