Locating Pre-registered or Incomplete events in TURAS

1

Clinic list

View patients that have arrived and been registered at today's clinic.

[View clinic list](#)

2

Select clinic

Clinic *

Demonstration Clinic

Filter the list...

[Update clinic list](#)

3

Display patients with the status: ☒ Registered ☒ Screened ☒ In progress ☐ Completed today ☐ Removed today

4

Sort records by clicking on the small triangle (sort order) to show oldest records first.

• Patient name	• CHI	• Vaccine type	Registration ▼ date/time
Test Patient (44y/F)	0000012584	COVID-19	13/03/2023 14:53

5

Actions

Review each record and determine action
(further information overleaf...)
