

Area Pharmaceutical Committee

WHAT IS THE ROLE OF APC?

- NHSH Area Pharmaceutical Committee (APC) is a professional advisory committee comprising of Pharmacists and Pharmacy Technicians.
- We provide advice, influence and guidance to Pharmacy Senior Leadership and the Board of NHS Highland on behalf of the Pharmacy profession. APC meets every two months to discuss current issues affecting the profession, proactively plan for future services and challenges with the aim of improving pharmaceutical care of individuals and the Highland population.
- APC represents the view of all pharmacy professionals within NHS Highland, irrespective of sector or geographical area. We welcome all feedback and suggestions for future working and issues that are impacting you
