Help Shape Scotland's Medicines Waste Reduction Agenda

Scottish Government Medicines Waste Questionnaire

Across Scotland, NHS Boards are delivering innovative work to **reduce medicines waste**, improve sustainability and **maximise value** from NHS resources.

We are seeking examples of initiatives, projects and interventions that have helped **prevent or reduce medicines waste** in any healthcare setting.

Your experience and learning will help inform future national work and support the sharing of best practice across Scotland.

WE WANT TO HEAR ABOUT WORK IN:

Acute Care

Primary Care

Care Homes

Community
Pharmacy

Specialist
Settings

Sustainability &
Climate Initiatives

Medicines Processes
& Policies

Education &
Awareness Campaigns

Quality Improvement &
Service Redesign

WHY PARTICIPATE?

Your contribution will help:

- ✓ Share successful approaches across Scotland
- ✓ Support national collaboration and learning
- ✓ Reduce environmental impact
- ✓ Improve patient care and outcomes
- ✓ Maximise value from NHS medicines
- ✓ Inform Scottish Government medicines waste priorities

WHAT INFORMATION ARE WE LOOKING FOR?

Tell us about:

- Medicines waste reduction initiatives
- Innovations and service improvements
- Measurable outcomes and impact
- Resources developed
- Lessons learned
- Future plans

No project is too small.

We welcome examples from all NHS Scotland Health Boards.
